

Homework Haven

Homework Haven is a ministry that meets on Wednesdays from 3:45 pm until 5:00pm. in the Magnolia United Methodist Church in Magnolia , IL. The elementary children are assisted with any homework that they may have. We are finding that some don't have homework every day but still want to come and socialize with each other. There are snacks, crafts and games. The last 20 minutes before there parents arrive is spent listening to an age appropriate Christian story read by Bonnie Mc Quilkin.
