

# Women on a Mission

Women On A Mission was established before the millennium and everyone is invited to take part. We have one major fundraiser each year with all the proceeds going to charities in our area. Each December we host a "Cookie Walk". This year the event falls on December 7th. The group asks each individual to bake 6 dozen cookies for this ministry. The variety of cookies is unimaginable and on Saturday morning the display is quite large. The cookies are sold by the pound and you have an opportunity to pick out the cookies you want as well as how many of each. Doors open at 8 am.
