

The Magnolia United Methodist Church is located at the corner of Peoria and Prairie Streets. Sunday School is held at 9:00am with Sunday Worship Service held at 10:00am. Coffee and fellowship follows the worship service.

The Methodist church has been a part of the Magnolia community since reverend Jesse Walker visited our area in 1828 and became our first minister. Our present Reverend is Kristi Hopp whose messages bring new life and hope to all. Our church doors are open to everyone.

Attending church gives you the opportunity to connect with other people and find Love, Hope and Joy. Love: You receive the gift of God's love and share your love with others. Hope: Through Jesus Christ you have the promise and hope of eternal life. Joy: Joy comes to all who live by faith in God. This gives you a lasting peace.

Open your hearts to God. Choose to believe in Jesus. Sing a song of praise and pray for guidance. Come and feel the warmth, comfort, encouragement and strength, which we all feel and need. We look forward to seeing each and every person and hope that you will join us soon. May God Bless You Always.
