Psalm 150

1 Praise ye the Lord. Praise God in his sanctuary : praise him in the firmament of his power.

2 Praise him for his mighty acts; praise him according to his excellent greatness.

3 Praise him with the sound of the trumpet: praise him with the psaltery and harp

4 Praise him with the timbrel and dance: praise him with stringed instruments and organs.

5 Praise him upon the loud cymbals: praise him upon the high sounding cymbals.

6 Let every thing that hath breath praise the Lord. Praise ye the Lord.

May The Lord add His blessings and may He bless us.

From the Computer

Just a reminder, it is the time of the year that the farmers are into harvest, so be on the lookout for slow moving equipment on the roads, and remember before you decide to challenge a load of shelled corn, that wagon weighs a lot more than your car, based on

the fact that shelled corn weighs 56 pounds, and some of the wagons can carry over 700 bushels of corn, you are looking at around 20 tons of weight. And some tractors can weigh around 20 tons So drive carefully, maybe leave 10 minutes earlier, just in case you get caught behind one of these rigs, learn to have a little patience, it doesn't cost any more

Overheard: If you kick the person responsible for most of your troubles, you probably won't be able to sit down for a while.

Native American Inspirations

Our often unrecognized, but most powerful teachers are our women, In order for men to learn a more balanced way, we need to learn from our men Elders and our women Elders.

Learning from the women Elders will teach us a whole different set of values and insights to life. When we have life problems, we need to go to the grandmothers, to get their advice
