Community news:

From the computer:

Well here we are into May already, I know I am repeating myself, but we have to remember that school will be out at the end of the month, and yes, that means the little ones will be running and playing, and so we need to be alert for them, maybe chasing a ball across the street of chasing after a pet, we have to sometimes think for them as they don't always think for them selves, and just think how bad you would feel if you struck one of these little ones so be alert, and protect the little ones. Also, I know that with summer coming on, sometimes on Sunday morning, we have that great urge to head for the golf course, and omit Church, wouldn't it be better to go to church and then go to the golf course just might improve your game.

Concerns

Our country needs prayer for leadership, we need prayer that the proposed split of New Hope Parish will go smoothly, prayer for those facing the lose of loved ones, and for those facing medical problems, also for our military.

Native American meditations

Live your joy, go against the grain. Don;t be made timid by worried rejection. Let natures curious wisdom fill you, let the world's mystic heritage guide you. paint your canvas, play your tunes.

-Thomas Moore

Psalm 123 V 1 I unto Thee lift up mine eyes, O thou that dwellest in the heavens. **V. 2** Behold as the eyes of servants look unto the hand of their masters, and as the eyes of a maiden unto the hand of her mistress; so our eyes wait upon the Lord our God, until that he have mercy upon us. **V. 3** Have mercy upon us, O.Lord, have mercy upon us for we are exceedingly filled with contempt. **V. 4** Our soul is exceedingly filled with the scorning of those that are at ease, and with the contempt of the proud. **KJV**
